

Sandosh Prabu G

Full-Stack Developer | Software Engineering Aspirant

Location: Sivakasi, Tamil Nadu Phone: +91 98946 60660

Email: sandoshprabu50@gmail.com

LinkedIn: linkedin.com/in/sandosh-prabu GitHub: github.com/sandosh-prabu-2005

Portfolio: sandy-portfolio-beta.vercel.app

Profile Summary

Pre-final year Computer Science Engineering student building and deploying scalable web applications using React, Node.js, and MongoDB. Delivered production-ready systems serving 1000+ users with focus on API design, data handling, and cloud deployment. Applies data structures, system design, and SDLC principles to build reliable and maintainable software. Experienced in debugging, performance optimization, and modular architecture through hackathons and real-world projects. Certified in SAP Analytics Cloud, AWS, and Agile practices.

Education

B.E. Computer Science and Engineering

Mepco Schlenk Engineering College, Sivakasi

2023 – 2027

GPA: 7.45 / 10

Higher Secondary (Class XII)

The Sivakasi Lions Matric Hr. Sec. School

2021 – 2023

91%

Technical Skills

- **Programming Languages** : Python, JavaScript, Java, C, C++
- **Core Computer Science** : Data Structures, DBMS, Operating Systems, OOP, System Design
- **Frontend** : React.js, Angular.js, HTML5, CSS3
- **Backend** : Node.js, Express.js, RESTful Services, API Integration
- **Databases** : MongoDB, MySQL, Oracle, Firebase
- **Mobile** : React Native (Cross-Platform)
- **Devops** : AWS (EC2, S3), Docker, Kubernetes, Grafana, GitHub (50+ repositories)
- **Design** : Canva, Photoshop(Basics)
- **Development Practices** : SDLC, RESTful API Design, Debugging, Code Optimization, Agile/Scrum

Projects

- **Infosys TECHZOOKA & PALS – MedAssist** — Designed and developed an AI-driven medical triage system using React, Node.js, and Python, integrating fine-tuned ClinicalBERT for symptom-based tagging along with rule-based classification and CNN-based image analysis for accident scenarios, delivering real-time multimodal responses via RESTful APIs; validated system performance across diverse clinical inputs to ensure consistency and reliability. Recognised among Top 100 teams nationwide at Infosys TECHZOOKA. **Feb 2025**
- **SIH 2024 – Gamified Constitution Learning Platform** — Engineered a full-stack constitution-focused learning platform using HTML, CSS, JavaScript, Node.js, and MongoDB, simplifying constitutional concepts into interactive modules centered on Fundamental Rights (Part III), Directive Principles (Part IV), and Fundamental Duties (Part IVA) of the Indian Constitution for non-technical users; presented the solution at the Smart India Hackathon Grand Finale. **Dec 2024**
- **Canteen Management System – MSEC** — Engineered a full-stack food ordering system serving 1000+ daily users, implementing real-time order processing and optimized database design to significantly reduce queue wait time and eliminate manual entry errors. **Sep 2025**
- **AI Disaster Prediction & Alert System – AI for Bharat Hackathon** — Developed a distributed AI-based disaster prediction and alert system using React and Node.js, detecting earthquakes, landslides, floods, and cyclones through machine learning (XGBoost) and deep learning models (LSTM, GRU, CNN-ResNet18); integrated datasets from IBTrACS, CWC, and Kaggle with AWS EC2-based backend, Amplify for frontend deployment, and a crowd-reporting module using DynamoDB and S3 for real-time disaster data. **Nov 2025**
- **Cultural Fest Platforms – Fiesta & Legacy Series** — Architected and deployed scalable event management platforms — Fiesta 2K25 (Mar 2025), Legacy 2K25 (Mar 2025) and Fiesta Junior 2K26 (Feb 2026) — using React, handling 500+ participant registrations with QR-based entry and real-time scheduling while maintaining stable system performance during peak concurrent usage. **2025–26**

Achievements

• Finalist , Infosys TECHZOOKA & PALS 2025 — Cash prize, Top 100 nationwide	Feb 2025
• Finalist , SIH 2024 Grand Finale — Selected among top teams across India	Dec 2024
• Winner , CUK CS AITHON 2026 — 1st place & cash award, Central Univ. of Karnataka	Jan 2026
• Winner , National-Level Hackathon — 1st place & cash award	Feb 2025
• Silver Medalist , CM Trophy Handball Tournament — State level representation	Sep 2025
• Organizer , GYAN MITRA '25 & '26 — National techno symposium, MSEC	Feb 2025–26
• Developer , Fiesta '25, Legacy '25 & Fiesta Jr. '26 — Official React fest sites	2025–26

Certifications

• SAP	: Designing Stories in SAP Analytics Cloud	Mar 2026
• SAP	: Exploring SAP Analytics Cloud	Mar 2026
• SAP	: Configuring SAP SuccessFactors Emp. Central Global Benefits	Mar 2026
• SAP	: Exploring SAP Business Technology Platform	Mar 2026
• Infosys Springboard	: AI Foundation Certification	Nov 2024
• Infosys Springboard	: Associate in IT Foundation Skills – Python	Dec 2025
• Infosys Springboard	: Java Foundation	Dec 2025
• Infosys Springboard	: Agile Scrum Certification	Dec 2025
• AWS	: Cloud Foundations	Dec 2025
• AWS	: Generative AI Foundations	Dec 2025
• IBM	: Web Development Fundamentals	Feb 2026
• IBM	: Agile Explorer	Feb 2026
• Cisco	: JavaScript Essentials 1 & 2, CSS Essentials	Oct 2025
• MongoDB	: Schema Design & Optimization	Oct 2025

Responsibilities

• Chairperson — <i>Google Developer Students Club, MSEC</i>	Apr 2026 – Present
Organized and led technical workshops and events, increasing student participation in hands-on development activities and fostering an engineering-first culture across the campus.	
• UiPath Student Developer Champion — <i>College-level RPA Ambassador, MSEC</i>	Apr 2026 – Present
Conducted RPA awareness sessions and guided students in building automation workflows using UiPath, driving adoption of process automation skills on campus.	
• Secretary — <i>NSS Unit VI, MSEC — Software & Multimedia Wing</i>	Mar 2026 – Present
Managed digital initiatives and supported execution of community outreach programs using technical tools, applying software skills for measurable social impact.	
• Team Leader — <i>Coding Conquerors, Student Hackathons</i>	Dec 2023 – Present
Led cross-functional teams through multiple national hackathons; delegated tasks based on individual strengths, maintained delivery timelines under pressure, and mentored teammates in problem-solving and technical presentation.	

Soft Skills

- Logical Thinking
- Problem-Solving
- Leadership & Teamwork
- Adaptability
- Communication
- Emotional Intelligence
- Time Management

Areas of Interest

- Web & App Development
- Data Analysis & Visualization
- Artificial Intelligence & ML
- Robotic Process Automation
- Cloud Computing

Languages & Hobbies

Languages Spoken:

- English — Fluent
- Tamil — Native

Hobbies:

- Listening to Music
- Photography & Videography

Declaration

I hereby solemnly declare that all the above information and particulars stated in this curriculum vitae are true and accurate to the best of my knowledge and belief.
